TUITION & FEE NOTES

1. A \$25 per family annual registration fee will be applied upon registration. This fee is not refundable.
2. For families enrolling more than one child, the studio gives a 5% additional child discount. The discount is applied to the student(s) taking the fewer hours of class.
3. The usual payment plans are two payments (at enrollment and November) for session-based classes and four payments (at enrollment, November, January and March) for yearly classes. If dancers are enrolled in at least two full-year classes, you may arrange a 10-payment plan. Send us an email or indicate your payment preference when enrolling by choosing "monthly" in the Membership field.
4. In November a \$40 costume deposit will be applied for each annual class enrolled to the student's account. If your child is unable to perform in the Spring Concert on June 9 and 10, you must notify the studio with an email by January 1st so that we do not order a costume. Costumes are ordered in January and are not returnable once ordered.
